Dear Joel, Pls send a xerox copy  
my script-proposal and Steven Kull's  
letter to Velichov to every addressed  
persons.

Every hour there is growing interest to a  
real actualization of a symbolic act  
of a disarmament proposed by Union of  
Filmmakers (it is important that Steve  
mentioned about independent interest from  
their side).

Please ask Carol to telex me a part of  
her presentation to Space Command Staff.  
I'll include it into my script.

Also I invite you to consider a  
possibility to shoot a discussion during  
Futurist Congress.

Be in touch,

Love

Joseph
